

Carabidae

Pelophila borealis

Leistus terminatus

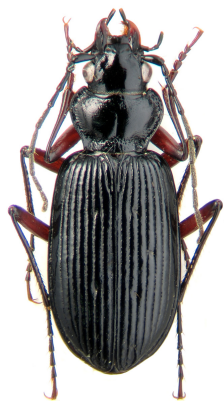

Leistus ferrugineus

Nebria livida

Nebria rufescens

Nebria nivalis

Nebria brevicollis

Notiophilus aestuans

Notiophilus aquaticus

Notiophilus palustris

Notiophilus germinyi

Notiophilus reitteri

Notiophilus biguttatus

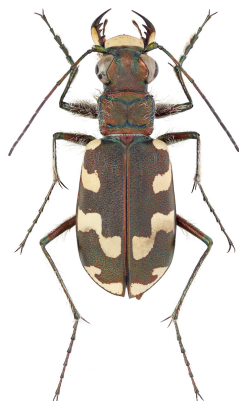

Loricera pilicornis

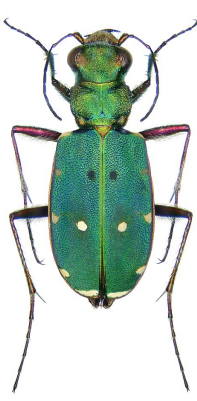

Cicindela sylvatica

Cicindela hybrida

Cicindela maritima

Cicindela campestris

Calosoma inquisitor

Calosoma denticolle

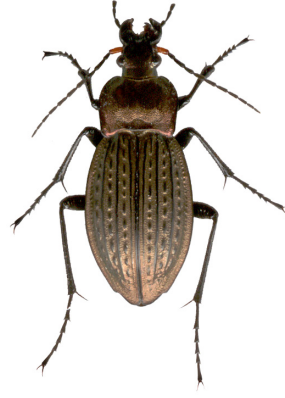

Carabus arcensis

Carabus granulatus

Carabus clathratus

Carabus cancellatus

Carabus nemoralis

Carabus hortensis

Carabus glabratus

Carabus problematicus

Carabus nitens

Carabus convexus

Carabus violaceus

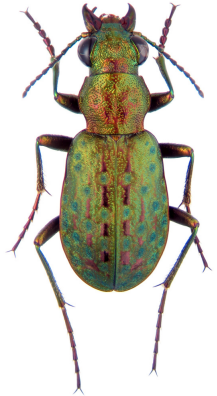

Cychrus caraboides

Blethisa multipunctata

Diacheila arctica

Elaphrus lapponicus

Elaphrus uliginosus

Elaphrus cupreus

Elaphrus riparius

Brachinus crepitans

Clivina fossor

Dyschirius thoracicus

Dyschirius obscurus

Dyschirius angustatus

Dyschirius nitidus

Dyschirius politus

Dyschirius impunctipennis

Dyschirius salinus

Dyschirius aeneus

Dyschirius tristis

Dyschirius nigricornis

Dyschirius melancholicus

Dyschirius globosus

Brosicus cephalotes

Miscodera arctica

Patrobus septentrionis

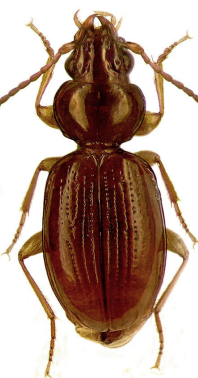

Patrobus australis

Patrobus assimilis

Patrobus atrorufus

Trechus secalis

Trechus rivularis

Trechus rubens

Trechus quadristriatus

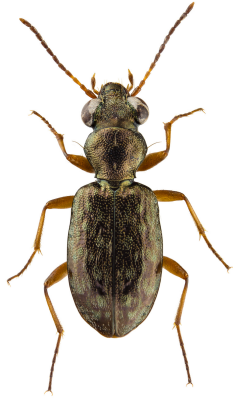

Trechoblemus micros

Blemus discus

Asaphidion pallipes

Asaphidion flavipes

Bembidion striatum

Bembidion velox

Bembidion lapponicum

Bembidion litorale

Bembidion nigricorne

Bembidion pygmaeum

Bembidion lampros

Bembidion properans

Bembidion obtusum

Bembidion punctulatum

Bembidion bipunctatum

Bembidion ruficolle

Bembidion illigeri

Bembidion fellmanni

Bembidion difficile

Bembidion prasinum

Bembidion hyperboreaorum

Bembidion virens

Bembidion hastii

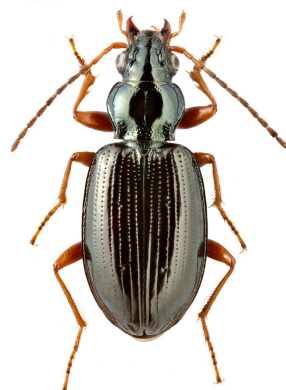

Bembidion monticola

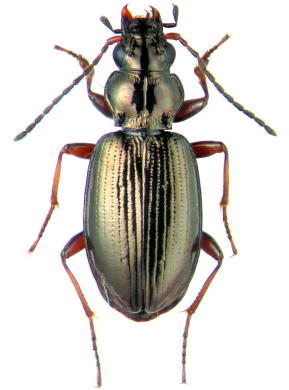

Bembidion deletum

Bembidion stephensii

Bembidion grapii

Bembidion yukonum

Bembidion dauricum

Bembidion tetracolum

Bembidion bruxellense

Bembidion petrosum

Bembidion cruciatum

Bembidion femoratum

Bembidion saxatile

Bembidion dentellum

Bembidion tinctum

Bembidion varium

Bembidion semipunctatum

Bembidion obliquum

Bembidion minimum

Bembidion azurescens

Bembidion articulatum

Bembidion octomaculatum

Bembidion doris

Bembidion schuppelii

Bembidion gilvipes

Bembidion assimile

Bembidion transparens

Bembidion quadrimaculatum

Bembidion humerale

Bembidion biguttatum

Bembidion aeneum

Bembidion guttula

Bembidion mannerheimii

Tachys bistratus

Porotachys bisulcatus

Tachyta nana

Stomis pumicatus

Poecilus lepidus

Poecilus cupreus

Poecilus versicolor

Pterostichus vernalis

Pterostichus aterrimus

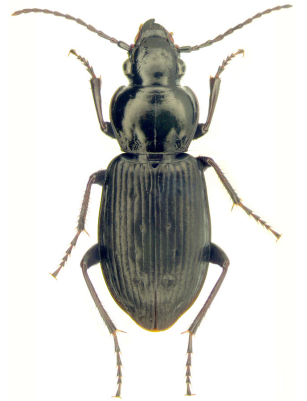

Pterostichus aethiops

Pterostichus madidus

Pterostichus oblongopunctatus

Pterostichus adstrictus

Pterostichus quadrifevolutus

Pterostichus niger

Pterostichus melanarius

Pterostichus nigrita

Pterostichus rhaeticus

Pterostichus gracilis

Pterostichus minor

Pterostichus strenuus

Pterostichus diligens

Calathus fuscipes

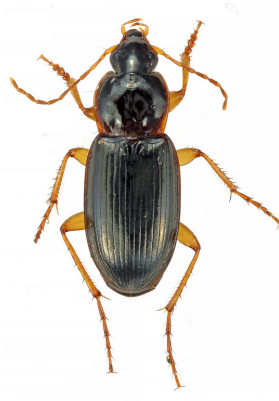

Calathus erratus

Calathus ambiguus

Calathus melanocephalus

Calathus micropterus

Sphodrus leucophthalmus

Laemostenus terricola

Synuchus vivalis

Sericoda bogemanni

Sericoda quadripunctata

Anchomenus dorsalis

Oxypselaphus obscurus

Paranchus albipes

Platynus livens

Platynus mannerheimii

Limodromus assimilis

Agonum gracilipes

Agonum marginatum

Agonum muelleri

Agonum sexpunctatum

Agonum ericeti

Agonum dolens

Agonum versutum

Agonum hypocrita

Agonum viduum

Agonum emarginatum

Agonum lugens

Agonum micans

Agonum piceum

Agonum gracile

Agonum fuliginosum

Agonum thoreyi

Agonum consimile

Agonum munsteri

Olisthopus rotundatus

Amara plebeja

Amara similata

Amara ovata

Amara montivaga

Amara nitida

Amara communis

Amara convexior

Amara nigricornis

Amara lunicollis

Amara curta

Amara littorea

Amara aenea

Amara spreta

Amara famelica

Amara eurynota

Amara familiaris

Amara lucida

Amara tibialis

Amara erratica

Amara interstitialis

Amara ingenua

Amara cursitans

Amara municipalis

Amara bifrons

Amara infima

Amara praetermissa

Amara brunnea

Amara quenseli

Amara crenata

Amara apicaria

Amara fulva

Amara majuscula

Amara consularis

Amara aulica

Amara gebleri

Amara convexiuscula

Amara torrida

Amara alpina

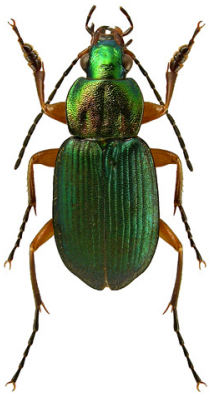

Amara hyperborea

Amara equestris

Chlaenius tristis

Chlaenius nigricornis

Chlaenius nitidulus

Chlaenius sulcicollis

Chlaenius costulatus

Panagaeus cruxmajor

Panagaeus bipustulatus

Oodes helioides

Badister unipustulatus

Badister bullatus

Badister lacertosus

Badister sodalis

Badister peltatus

Badister dilatatus

Badister collaris

Licinus depressus

Ophonus laticollis

Ophonus puncticollis

Ophonus rufibarbis

Ophonus schaubergerianus

Harpalus griseus

Harpalus rufipes

Harpalus calceatus

Harpalus signaticornis

Harpalus affinis

Harpalus distinguendus

Harpalus smaragdinus

Harpalus solitaris

Harpalus latus

Harpalus nigrirtaris

Harpalus luteicornis

Harpalus xanthopus

Harpalus laevipes

Harpalus rubripes

Harpalus rufipalpis

Harpalus tardus

Harpalus anxius

Harpalus flavescens

Microderes brachypus

Anisodactylus binotatus

Anisodactylus nemorivagus

Anisodactylus signatus

Stenolophus teutonius

Stenolophus mixtus

Bradycellus ruficollis

Bradycellus verbasci

Bradycellus harpalinus

Bradycellus csikii

Bradycellus caucasicus

Dicheirotrichus rufithorax

Dicheirotrichus cognatus

Dicheirotrichus placidus

Acupalpus flavicollis

Acupalpus meridianus

Acupalpus parvulus

Acupalpus exiguus

Anthracus consputus

Perigona nigriceps

Masoreus wetterhallii

Odacantha melanura

Lebia cyanocephala

Lebia chlorocephala

Lebia cruxminor

Demetrias monostigma

Demetrias imperialis

Paradromius longiceps

Paradromius linearis

Dromius agilis

Dromius quadraticollis

Dromius schneideri

Dromius fenestratus

Dromius quadrimaculatus

Calodromius spilotus

Philorhizus sigma

Philorhizus notatus

Microlestes minutulus

Microlestes maurus

Syntomus truncatellus

Syntomus foveatus

Lionychus quadrillum

Cymindis angularis

Cymindis macularis

Cymindis vaporariorum
